## **STAGE SCHOOL FOR YOUNG PEOPLE AGED 7 TO 17**

Youth on the Steps aims to provide tuition in the performing arts of Acting, Singing and Dance. Students are involved in all other aspects of theatre including set design, construction and painting, stage management, costumes and technical theatre. Students will take part in devising drama and dance and are encouraged to take the opportunity to direct and choreograph pieces of work. All students, who want to, are able to take Drama Examinations through the London Academy of Music and Dramatic Art. Youth on the Steps aims to produce at least one major show a year at the Theatre, and other productions both at the Theatre and other venues. Students have the opportunity to take part in other productions at the Theatre, both with the Theatre on the Steps own company and visiting companies. From time to time there are opportunities to audition for professional television and theatre productions.

The emphasis of Youth on the Steps is to help and encourage each student to develop their performing skills and to enjoy the art of performing.
